Equine Sports UK Grassroots Championships are held for grassroots competitors. We respectfully remind all competitors to enter in the spirit of grassroots championships.

- To avoid confusion our definition of Grassroots is as follows:
Definition of a grassroots rider - a person who engages in the most basic level of horse-riding (as opposed to an amateur - a person who engages in a pursuit, especially a sport, on an unpaid basis) and competes mainly at local unaffiliated shows. We do not rule out those that compete at their **local** affiliated shows, but do not encourage those that regularly compete in RIHS or HOYS qualifiers.
- The following restrictions apply and are excluded from the Championships: Professional Riders, (those who make a **full-time** living out of buying, selling, producing, breaking, schooling, teaching, grooming, training or competing).
- Horses/Ponies/Riders **combination** not to have qualified or competed in any classes at Olympia, RIHS or Horse of the Year Show including Search for a Star in the past five years. **Rider** not to have ridden at Olympia, RIHS, Horse of the Year Show including Search for a Star in the past five years in the discipline in which they are competing. For example, those that have ridden at any of the above, may still compete in the in-hand, working hunter, show jumping and dressage sections, but not the ridden section.
- If a horse or pony has competed at any of the any classes at Olympia, RIHS or Horse of the Year Show including Search for a Star with a different rider or owner, they **are** permitted to compete at our Championships providing the rider is eligible under our rules.
