Equine Sports UK Grassroots Championships are held for grassroots competitors. We respectfully remind all competitors to enter in the spirit of grassroots championships.

- To avoid confusion our definition of Grassroots is as follows:
Definition of a grassroots rider - a person who engages in the most basic level of horse-riding (as opposed to an amateur - a person who engages in a pursuit, especially a sport, on an unpaid basis) and competes mainly at local unaffiliated shows. We do not rule out those that compete at their **local** affiliated shows, but do not encourage those that regularly compete in RIHS or HOYS qualifiers.
- The following restrictions apply and are excluded from the Championships: Professional Riders, (those who make a **full-time** living out of buying, selling, producing, breaking, schooling, teaching, grooming, training or competing).
- Horses/Ponies/Riders/Handlers **combination** not to have qualified or competed in any classes at LIHS, RIHS or Horse of the Year Show including Search for a Star in the past five years. **Rider** or **Handler** not to have competed at LIHS, RIHS, Horse of the Year Show including Search for a Star in the past five years in the discipline in which they are competing. For example, those that have ridden at any of the above, may still compete in the in-hand, working hunter, show jumping and dressage sections, but not the ridden section.
- If a horse or pony has competed at any of the any classes at LIHS, RIHS or Horse of the Year Show including Search for a Star with a different rider or owner, they **are** permitted to compete at our Championships providing the rider is eligible under our rules.

General

- No horse/pony can be entered more than once for any class
- One rider may enter more than one different horse/pony in Show Jumping, Dressage and Working Hunter classes.
- The judge's decision is final. Objections must be made in writing within 30 minutes after the class has finished and must be accompanied by a £50 deposit which will only be refunded if the objection is upheld.
- Competitors take part entirely at their own risk. It is strongly advised that all competitors have a third-party liability insurance in place when competing at our Championships.
- It is the responsibility of all horse/pony owners to ensure that their animals are fully vaccinated against equine flu.
- Riders must wear correctly fitted headgear which conforms with the current legal standards whilst mounted anywhere on the showground with their chin straps fastened at all times.
- A rider whose hat comes off will be eliminated.
